LB 187, 668, 682, 816

SENATOR KENNEDY: I apologize, but my light bulb is burned out here and I can't see what is going on.

PRESIDENT: You talk to Senator DeCamp. He's in charge of sunshine. Senator Duis.

SENATOR DUIS: Mr. President, members of the Legislature, I happened to check the particular section which is referred to here as 64205 as being the acknowledgement and that particular section of statute does not include the words voluntary act and deed. So consequently what is happening by the striking of those particular words in this legislative bill, this could be a forced action and I do think this needs correction and it needs to be a voluntary act and deed in addition to those particular requirements in the section 64205.

PRESIDENT: Any further discussion? Well the question then is shall this bill be returned to Select File for the specific amendment. Record your vote. Have you all voted? Have you all voted? Record.

CLERK: 26 ayes, 8 nays to return to Select File, Mr. President.

PRESIDENT: The bill shall be returned. Senator Duis, this will be placed on Select File for a consideration of your amendment. 682.
